## **The BioTech-A160**

### **Wall Mount Continuous Room Air Sanitizing**

**The perfect companion** to any of our UVC lights, is our Continuous Room Air Sanitizer, the BioTech-A160, which is wall-mounted and continuously sanitizes the room air. This model uses both, UVC lights, HEPA filter and activated carbon filters to sanitize room air up to 160 square feet.

**Ideal for:**  
**Exam Rooms, Waiting Rooms, Offices, Reception Desk**

***Uses Both UVC Light, HEPA and Carbon Filters***
