

Seasons Greetings from Thomas FX

A WORLD LEADER IN ARTIFICIAL SNOW

Established in 1973, Thomas FX is widely recognized as a world leader in artificial snow and a pioneer in the special effects industry. The unique artificial snow, pyrotechnics and mechanical effects equipment supplied by Thomas FX have been used in films such as Superman 1, Alive, Legends Of The Fall, 7 Years In Tibet, X-Men, Fantastic Four, Disney's Eight Below, Day After Tomorrow, and thousands of other successful film and television projects.

Special Effects Solutions For Winter Themed Events

Thomas now provides its unique snow and special effects products to consumer retail markets in 35 countries worldwide, and to special events, attractions, hospitality facilities, and meeting planners throughout North America.

Themed Seasonal Decor & Equipment Rentals

Thomas FX manufactures many of its own products and has numerous unusual seasonally themed items for purchase or rental. As well, our large inventory of special effects snow equipment is available on a rental basis for for large or small events.

Attractions - Special Events - Destinations

Over its 36-year history, Thomas FX has served thousands of satisfied customers in the global film industry and retail markets, as well as a host of special events, attractions, and tourism destinations.
